

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

NATALIA MENDEZ,

Plaintiff,

-against-

TAVERN 62 LLC, and 135 OPERATING CORP.,

Defendants.

COMPLAINT

Civil Action No. 1:25-cv-2603

Plaintiff, NATALIA MENDEZ (“Plaintiff”), by and through her counsel, The Marks Law Firm, P.C., hereby files this Complaint against TAVERN 62 LLC (“Tavern 62”), and 135 OPERATING CORP. (“135 Operating,” collectively with Tavern 62 hereinafter referred to as “Defendants”) seeking equitable, injunctive, and declaratory relief; monetary and nominal damages; along with attorney’s fees, costs, and expenses pursuant to: Title III of the Americans with Disabilities Act 42 U.S.C. §12181, et. Seq. (“ADA”); the New York City Human Rights Law (“NYCHRL”); and the New York State Human Rights Law (“NYSHRL”). Plaintiff hereby alleges the following:

JURISDICTION & VENUE

1. This Court is vested with jurisdiction pursuant to 28 U.S.C. §1331 and §1343 because this is an action for declaratory and injunctive relief pursuant to Title III of the ADA.

2. Venue is proper pursuant to 28 U.S.C. §1391(B) because the events giving rise to this lawsuit occurred in the State of New York, County of New York, at the property known as and located at 135 East 62nd Street, New York, NY 10065 (hereinafter “Defendants’ Premises;” which includes the commercial space, commercial establishment, and public accommodation therein).

3. This Court has supplemental jurisdiction over Plaintiff's related claims arising under the NYSHRL and NYCHRL laws pursuant to 28 U.S.C. § 1367(a).

4. The remedies provided by the NYSHRL and NYCHRL against discrimination are not exclusive, and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

PARTIES

5. Plaintiff is a natural person and resident of the State of New York and New York County.

6. Plaintiff is a paraplegic who uses a wheelchair for mobility, which constitutes a "qualified disability" under the ADA.

7. Tavern 62 is a domestic limited liability company authorized to conduct business within the State of New York.

8. At all times relevant to this action and upon information and belief, Tavern 62 owns, leases, operates, maintains, and controls all, or the relevant portions, of Defendants' Premises.

9. 135 Operating is a domestic business corporation authorized to conduct business within the State of New York.

10. At all times relevant to this action and upon information and belief, 135 Operating owns, leases, operates, maintains, and controls Defendants' Premises.

11. The ADA, NYSHRL, NYCHRL, et seq. impose joint and several liability on the owner and lessee of a public accommodation.

12. Defendants, jointly and individually, are a public accommodation as they respectively own, lease, control, maintain, and operate all, or the relevant portions, of Defendants' Premises.

FACTS COMMON TO ALL CAUSES OF ACTION

13. Defendants' Premises is a public accommodation as defined by the ADA, NYSHRL, NYCHRL, et seq. because it, *inter alia*, provides goods and services to the public and is required to comply with the ADA, NYSHRL, NYCHRL, et seq.

14. Defendants' Premises is a commercial space as defined by the NYSHRL, and NYCHRL because, *inter alia*, a portion of the building and structure thereof used or intended to be used as a business, office, and commerce.

15. On January 28, 2025, Plaintiff attempted to enter Defendants' Premises, which operates as a famous American restaurant and bar by award-winning Celebrity Chef David Burke, which showcases Burke's creative and contemporary approach and a chef who is well known for the burgers, which is what Plaintiff was seeking to purchase, amongst other foods. Defendants' Premises is less than 9.3 miles from Plaintiff's home.

16. Because the existing barriers prevent access and restrict the paths of travel, such as five (5) descending steps at the entrance of the Premise, Plaintiff was unable to enter Defendants' Premises.

17. Because the existing barriers prevent access and restrict the paths of travel, such as five (5) descending steps at the entrance of the Premise, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the commercial space and public accommodations within Defendants' Premises.

18. Because the existing barriers prevent access and restrict the paths of travel into and within Defendants' Premises, Plaintiff was unable to access the restaurant with her friend who she met with in the area, and commonly with in this area. Plaintiff called the restaurant prior to going to ensure that she could access the restaurant, to which the restaurant confirmed that access would not be a problem and she can come with her friend. However, when Plaintiff arrived at the restaurant on January 28, 2025, she called in and the employees brought out two small non-compliant ramps that were separated but sought to be used as one, without edging, and put them on the steps, without securing them at all. Plaintiff informed the Defendants that the separated ramp was extremely steep, unsafe, and too dangerous to navigate with her wheelchair, to which the employees replied, in sum, that they were aware it is unsafe, but it's the only option they have and apologized to Plaintiff. It appears the "ramps" that were brought out were for deliveries, not wheelchairs. Plaintiff informed the manager thereafter, from the sidewalk, that its improper to mislead people to have a compliant and accessible restaurant, when they in fact do not. At that point, Plaintiff and her friend were forced to leave and try and find another restaurant in the area that is accessible for dinner.

19. Plaintiff is routinely in the neighborhood meeting friends and engaging in errands for food as it is a short cab ride from her home; however, the barriers that prevent access and restrict the paths of travel remain, and Plaintiff continues to be denied access and is deterred from returning based on her knowledge that the barriers exist. Accordingly, Plaintiff has and continues to suffer an injury in fact.

20. Defendants denying Plaintiff the opportunity to participate in and benefit from the services or accommodations offered within Defendants' Premises because of his disability has caused Plaintiff to suffer an injury in fact.

21. Plaintiff intends on immediately returning to Defendants' Premises once the barriers to access are removed and Defendants' Premises are ADA compliant.

22. Defendants' failure to comply with the ADA, NYSHRL, NYCHRL, et seq. impedes upon the rights of Plaintiff, and other similarly situated disabled individuals, to travel free of discrimination and independently access Defendants' Premises.

COUNT I
VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

23. Plaintiff repeats and reiterates each and every allegation contained in the above paragraphs as if fully set forth at length herein.

24. The ADA prohibits discrimination on the basis of disability by, *inter alia*, guaranteeing individuals with disabilities are provided with reasonable accommodations that enable free travel and independent access to commercial establishments, commercial spaces, and public accommodations by the owners and operators of same.

25. The ADA, the 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (collectively referred to as the "Accessibility Standards") establish that property owners and the operators of commercial establishments, commercial spaces, and public accommodations are responsible for complying with these Accessibility Standards.

26. Upon information and belief, Defendants' Premises was built before January 26, 1990, and has subsequently undergone substantial remodeling, repairs, and alterations.

27. Defendants have discriminated, and continue to discriminate, against Plaintiff and others that are similarly situated by denying full and equal access to, and full and equal enjoyment

of, the goods, services, facilities, privileges, advantages, and accommodations offered by Defendants at Defendants' Premises, in violation of the Accessibility Standards.

28. Plaintiff has been, and continues to be, unable to enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered by Defendants at Defendants' Premises.

29. Plaintiff visited Defendants' Premises with the intention of utilizing the commercial establishments, commercial spaces, and public accommodations within Defendants' facilities but was denied access because of the barriers that prevent access and restrict the paths of travel, and therefore suffered an injury in fact.

30. Plaintiff continues to reside in New York and desires to visit Defendants' Premises in the future but continues to be injured by Defendants' failure to remove the barriers that prevent access and restrict the paths of travel to and from Defendants' Premises. Accordingly, Plaintiff continues to be discriminated against in violation of the ADA, NYSHRL, NYCHRL, et seq.

31. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the Americans with Disabilities Act Accessibility Guidelines (hereinafter "ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

32. Defendants' Premises is in violation of the ADA, 42 U.S.C. §12181 et. Seq., and the Accessibility Standards, and is discriminating against the Plaintiff, in pertinent part, as a result of the following violations:

- a. Defendants' Premises lacks an access route from site arrival points, such as the public streets and sidewalks, to the accessible entrance due to the five (5) descending steps at the entrance leading to the Premises, in violation of Sections 206.2.1, 303.5, and 404.2.4 of the 2010 ADAAG Standards.

- b. Defendants' Premises lacks a service counter that complies with Sections 904.4 and 227.3 of the 2010 ADAAG Standards. More specifically, the existing service counter exceeds 34 (thirty-four) inches in height from the floor.
- c. Defendants' Premises fail to prove at least 5% of accessible tables and seating with proper knee/toe clearance.
- d. Defendants' Premises lacks an accessible restroom with accessible features.
- e. Defendants' Premises lacks adequate directional and accurate informational signage throughout the commercial space and public accommodation.
- f. Defendants' Premises lacks a safe and accessible means of egress for emergencies.
- g. Defendants fail to adhere to a policy, practice, and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

33. Upon information and belief, there are other current violations of, inter alia, the ADA, NYSHRL, NYCHRL, et seq. at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

34. To avoid fragmentary litigation, Plaintiff requires a full inspection of Defendants' Premises to identify Defendants' joint and several violations of and non-compliance with the ADA, NYSHRL, NYCHRL, et seq. As such, notice is therefore given that Plaintiff intends to amend the Complaint to include any violations discovered during an inspection that are not contained in this Complaint that Defendants must remediate.

35. To date, the barriers and other violations of the ADA at and within the Defendants' Premises still exist, and the removal of same are readily achievable; however, these violations have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA, NYSHRL, NYCHRL, et seq.

36. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, Defendants were required to make Defendants' Premises, a place of public accommodation, accessible to persons with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

37. Defendants failed to make alteration accessible to Defendants' Premises to the maximum extent feasible.

38. Defendants failed to make all readily achievable accommodations and modifications that would remove barriers and create independent access to Defendants' Premises.

39. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter Defendants' Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of Defendants' Premises until the required modifications are completed.

40. Plaintiff has suffered and will continue to suffer damages because of Defendants, joint and several, violations of the ADA in an amount to be determined at trial or by the Court, along with an award of Plaintiff's reasonable attorneys' fees, expenses, and costs as provided for by the ADA.
